

The 12. Int. Classic Motorcycle Weekend „North Germany“ , „1985-2025 Jubilee Edition“ with „Brokdorfer Tower Run“ 18.-20.07.2025 in D 25576 Brokdorf /Elbe

The vintage and classic Motorcycle weekend „North Germany“ will celebrate it's 40. years anniversary from 18.-20.07.2025 at the Elbe Ice Stadium at D 25576 Brokdorf.

Founded in 1985, when Nico Hansen and Heinz Kindler did welcome 152 riders from 7 different nations in Kaltenkirchen / Holstein. During the years the „North German“ hosted 4 Windmill Rally's with the unforgettable display of 30 Husqvarna machines from their works museum in 2012.

Another Highlight was the 2015 edition when Uwe Karstens and Andy Dean invited the New Imperial Owners Association for their World meeting.

In 2023 the venue moved to the Elbe Ice Stadium at Brokdorf where we invited the „little 200cc tax and licence free“ motorcycles from the 1920's and 30's.

This year we like to welcome the Brough Superior motorcycles owner's and they can meet several other „twin engined“ motorcycles . That will be the topic for this years „jubilee event.“ But all types of motorcycles built before 1955 are invited.

Ride a chummy weekend with international participants and very nice bikes. All trips are practical for Beltdrivers and Flattankers in the flat country beside the Nord/Ostsee „Kiel Canal“and the german North Sea Coast

All information you can find on our webside

<https://www.vfnord.net>

The entry forms will be available around 10th February 2025

Looking forward to meet you

Heinz Kindler,

Uwe Karstens and Dr. Martin Schenker
